**Public Comments:** One guest inquired what the big boom was last Saturday in the Township. No one knows.

**Old Business:** Cemetery Ordinance was discussed and there remains more questions and discussion at a future date. Maintenance of the grounds was discussed. Other areas of discussion were: Markers, decomposition of bodies and the sinking of graves. If we were to make part of the Hoover Cemetery green, do we need a water study due to 2 sides being swampy, Is there community interest? Other topics of conversation were: Should we have a scatter area for cremains? Should ordinance cover for cremains to be dug up and moved with a family if requested? Dave Wright would like to see an above ground niche for cremains. Solar Ordinance: Contact at Consumers for setting up speaker is out sick at the time and Denise will continue working on someone to come out and talked about Solar Energy. Blight Ordinance: We will have a Public Hearing at the next regular meeting on August 14, 2018 at 6:30 PM to amend the ordinance. Fundraiser: Set for September 1, 2018. Rental fee for a booth will be \$15.00 and that includes 1 meal.

**New Business:** The building of the fence will continue on July 28, 2018 at 7:00 AM. A basketball hoop will be purchased with the park fund money. Denise is still pricing options but hoop will cost approximately \$1800 or less. Dave Wright advised the PC that we need to perform a 5-year review of the Zoning Ordinance.

**Zoning Administrators Report:** Given at the Twp. Board meeting on July 5, 2018.
